Purpose of the policy

This purpose of this policy is to confirm that Bridgnorth Endowed School:

- follows the correct procedures when considering the arrangements for a candidate entered for multiple examinations timetabled for the same day
- reserves the right to exercise discretion when considering allowing a candidate to take an examination the following morning
- has appropriate arrangements in place to maintain the security and integrity of the examination(s)

1. Overnight supervision arrangements

When candidates are entered for multiple examinations (three or more examinations) timetabled for the same day and the total duration for those papers is:

- more than six hours for Level 3 examinations (AS, A2, A level, Level 3 VTQs), including approved extra time allowances and/or supervised rest breaks, or
- more than five and a half hours for Level 1/2 examinations (GCSE examinations, Level 1 and 2 VTQs), including approved extra time allowances and/or supervised rest breaks

candidates may, at the centre's discretion, be allowed to take an examination scheduled for the afternoon session the following morning, including Saturdays. (ICE 8.1)

- These arrangements do not apply where a GCSE, Level 1/2 VTQ candidate has five and a half hours or less of examinations in one day or where a GCE AS, A level or Level 3 VTQ candidate has six hours or less of examinations in one day (ICE 8.3)
- Overnight supervision arrangements should only be applied as a last resort and only once all other options have been exhausted (ICE 8)
- The head of centre must be satisfied with any necessary arrangement for overnight supervision of a candidate and must accept full responsibility for the security of the examination throughout (ICE 8)
- Candidates are not allowed to take examinations on an earlier day than that scheduled on the timetable (ICE 8.1)
- The overnight supervision arrangements must ensure that the candidate does not have advance warning of the content of the examination that is deferred until the following morning. This means the candidate must not meet or communicate with anyone who may have knowledge of the content. This includes email, internet, online streaming services, printed media, radio, social media (including messaging apps), telephone or television (ICE 8.6)
- If the candidate opts to sit all examinations in one day, then the supervised break between each examination can be more than 20 minutes. The supervised break may be conducted in an alternative location within the centre.

  Where the supervised break is conducted outside of the examination room, the candidate may revise using their own resources. However, the candidate must not:

  - be in possession of an electronic communication or storage device or have access to the internet
  - have contact with any candidate who has sat the examination
  - be coached by a member of centre staff

  A member of centre staff, or an invigilator, must always be in the same room as the candidate. The invigilator must not be the subject teacher for the rescheduled examination. (ICE 8.2)

2. Roles and responsibilities

The role of the head of centre

- Ensure where a candidate takes an examination the following morning, a member of centre staff or an invigilator is appointed to supervise the candidate at all times while they are on the premises sitting examinations (ICE 8.4)

- Inform the parties involved that any infringement of the conditions governing overnight supervision arrangements may lead to the awarding body being unable to accept the script and/or the application of sanctions as detailed in the JCQ document **Suspected Malpractice: Policies and Procedures** (ICE 8.8)
- Keep all completed forms available for inspection until the deadline for reviews of marking has passed or until any appeal, malpractice or other results enquiry has been completed, whichever is later, and not send to an awarding body, unless specifically requested (ICE 8.8)
- Ensure where a candidate takes an examination the following morning, the candidate is under centre supervision from 30 minutes after the awarding body's published starting time for the delayed examination and ensure there is no contact with other candidates (ICE 8.4)
